Government funded 15 hours, is available, for 2, 3 and 4 year olds.
Vouchers accepted.
Sessions can be used in a combination of your choice.

Meet our Staff

Manager: Nicola Ryder, Deputy: Yvonne Forrest, Assistants: Lynne Rigg and Sharon Nicholson.

We provide quality childcare for children aged 2-4 years following the Early Years Foundation Stage (EYFS) Framework Curriculum. Please feel free to call in, take a look around the setting and make further enquiries.

Coat and Bag Area

When the children arrive at Pre-School they hang their coats here with their wellies in bags.

Indoor Area

Our indoor area has a home corner, book corner, sand/water, tables for painting, gluing, table top games, as well as tables for snack and lunch. We cover the seven areas of learning set out in the Early Years Foundation Stage Framework; learning through play. Pre-School works closely with Holy Trinity Rosehill Nursery, as well as Boomerang, passing on information to make transition into school smoother for the children.

Toilet Area

The children are encouraged to become more independent in their personal hygiene and care, but are also offered assistance if needed.

Outdoor Area

The large outdoor area provides space for ball games, playing on bikes, scooters and running. The children enjoy digging in the garden area, looking for insects, playing in the leaves and jumping in puddles.
